

Sherri Baptiste & India Supera

India

October 2 - 22, 2008

There is plenty of time to join *Sherri Baptiste* and *India Supera* on our fabulous fall trip to India from October 2 - 22.

Highlights of this 20 day yoga vacation and spirit quest include an afternoon at the Taj Majal, two days in Jaipur visiting the bazaars and sightseeing; three nights in Rishikesh at the ashram of Swami Veda Bharati, one of the great meditation teachers of our time and one of Sherri's early teachers; a full day at Khajuraho experiencing the amazingly sensual 9th century temple carvings; and three nights at Varanasi where we will stay right on the banks of the Mother Ganges. In Varanasi India has many friends who will entertain us, take us by boat to offer our prayers at morning and evening pujas and give us a real feel for life on the ghats.

They we're off for five nights at the lovely and tranquil Marari Beach Hotel and Ayurvedic Spa in Kerala where we will have yoga classes daily and see the sights of this beautiful area of the Spice Coast.

Check out the whole itinerary here.

Your passport must be good until *June 2, 2009*.
Yoga students of all levels are Welcome.
To register or for more information call 406-442-8196.

Sherri Baptiste is an inspirational yoga teacher at the forefront of training in America. She is the daughter of America's yoga pioneers and master teachers Magaña and Walt Baptiste. Founder of Baptiste Power of Yoga her classes provide an empowering, peaceful oasis in a hurried world, a place where students can find within themselves the tools and knowledge to support and maintain a happier, healthier and more spiritual lifestyle.

India Supera, founder of the Feathered Pipe Foundation, has been a passionate and vibrant leader inspiring many in their personal spiritual journeys. For the ultimate spiritual tour of pilgrimage destinations, there can be no journey more inspiring than a tour in India of the holy cities. India will introduce you to the India she loves with great Compassion and Joy. Her knowledge of the culture and history will enrich this tour of the majestic beauty, architectural splendor, and natural wonder in the land saturated with spirituality and divine love- Mother India.
